## EXPERIENCE

### DEEM, Nigeria — Cloud | DevOps Engineer

SEPTEMBER 2021 - NOVEMBER 2022

- Architecting and setting up agile production-ready environments
- Built CI/CD Pipeline for multiple micro-services to reduce Development to Production time using Circleci.
- Continuous communication and collaboration with developer team members to ensure that development follows established and secure processes and that things work as intended.
- Daily monitoring and inspection of development tools and infrastructure to ensure quick detection of possible failures and early fixes.
- Replatforming, refactoring, and rehosting workloads when possible to save on cost.
- Provisioning, configuring, and maintaining cloud infrastructure defined as code.
- Administering and troubleshooting Linux-based systems.
- Ensuring configuration and compliance with configuration management tools.

### AlphaWorld, UAE — Cloud | DevOps Engineer

CONTRACT WORK

- Completed full migration of PostgreSQL database, Rabbitmq cluster, and Kubernetes workloads from Digital Ocean to AWS.
- Built CI/CD Pipeline for 4 micro-services to reduce Development to Production time using Jenkins.

### GamePride, Nigeria — Cloud | DevOps Engineer

JANUARY 2023 - PRESENT.

### Freelancer, Remote — Cloud | DevOps Engineer

- Troubleshooting urgent cloud problems for companies and businesses on demand.

## TRAININGS

## SKILLS

AWS, Google Cloud, Azure, Linux, Terraform, Docker, Kubernetes, Jenkins, Helm, Bash script, YAML, Javascript Nodejs, Nestjs, HTML, CSS Typescript.

## PERSONAL PROJECTS

### Resume Website — [oluwagbenga.com](http://oluwagbenga.com)

- I built my own resume website using a template and added some backend features.
- Deployed the website to Azure Blob storage and integrated an azure function to count site visits through an API.
- Enabled HTTPS and custom domain support using Azure CDN.

### Dialog Flow — AI Chatbot

- I created an AI chatbot to improve the visitor experience on my website, the bot also learns from user input.

## INTERESTS

Space Exploration, Philosophy, Sports, Travel
